### In Your Waking Hours

Every move you make depends on your ability to see and hear well. Physicians tell you that eye strain brings on nervous diseases of a serious nature. Pills and tonics will not help you. Glasses—properly mounted—will. They rest the eyes and relieve the tired brain. To insure corrective efficiency your lenses should be fitted in Shur-On mountings.

## Lodge Notes and Fraternal Interests

New London County Pomona Grange Holds Field Meeting at Richards Grove Today—Ex-Governor of New Hampshire will Speak—Heptasophs Ready for Annual Outing—Grand Army at Salt Lake City.

### ROYAL ARCANUM.

Norwich council, No. 729, Royal Arcanum, held its usual semi-monthly meeting in the Buckingham Memorial Tuesday evening. Little business was done, and the evening was spent playing whist, after which ice cream was served.

### DEGREE OF POCAHONTAS.

The regular meeting of Sebequonah council, No. 11, Degree of Pocahontas, was held Monday evening. Pocahontas Agnes Dean presiding. The council has completed all plans for their picnic and this will take the form of an outing at Ocean beach on Thursday, August 19, the members to go down by trolley leaving Franklin square at 8.45.

An application was received at this meeting and the candidate will be initiated at the next.

Lemonade and assorted cakes, served by Mrs. Grace Thorpe, were fully enjoyed after the business session.

### ODD FELLOWS.

Brother E. C. Collins of Mohegan lodge was the guest of Shetucket lodge at its meeting this week and cordially invited the three Norwich lodges to be the guests of the New London lodges at the latter's annual outing at Richards grove, Tuesday, August 17. The invitation was accepted and a good sized delegation will be present from Shetucket, Uncas and Hope lodges.

### HEPTASOPHS.

Norwich conclave, No. 424, is looking forward with interest to the annual convention of this district, which will take place some day, yet to be fixed, during the week of September 6. The place, too, is yet unannounced, but the five conclaves of the state will in all likelihood meet at Groton, where, besides the business side of the convention the Heptasophs will have a genuine old fashioned clam bake. District Deputy George R. Hemmings of the Groton conclave was at the meeting of the Norwich brothers Monday night.

The election of the district deputy is the main point of interest, as there are several candidates. In the field, Brother Charles A. Peterson of Yale Haven, New Haven, where he is at present local organizer, has announced himself as a candidate and will put up a strong fight to gain the coveted office. There are others in the race from the other end of the state.

### GRAND ARMY.

Samuel B. Smith, ex-Governor of Minnesota, was elected commander-in-chief of the Grand Army of the Republic at its national encampment at Salt Lake City this week.

Van Sant won over Judge William A. Ketcham of Indiana by a vote of 587 to 156.

Mrs. Jennie L. Perry of Des Moines, Iowa, was elected national president of the Woman's Relief corps. In addition to Commander Van Sant the following Grand Army officers were elected: Senior vice commander, W. M. Postup, Ogles, Utah; junior vice commander, Judge Alfred Beers, Bristol, Conn.; surgeon general, W. H. Lennon, Lawrence, Kansas.

Harry M. Nevins, the retiring commander in chief of the Grand Army of the Republic, in an address to the national encampment said in part: "On Dec. 31, 1907, the members of the Grand Army of the Republic numbered 225,157, and there were 12,489 on the suspended list. There were re-entrants in good standing on Dec. 31, 1908, 229,616 and 55,839 remained suspended. The number of comrades reported as having died between Dec. 31, 1907, and Dec. 31, 1908, was 10,124. Our gains during the fiscal year by muster, transfer, reinstatement and by gains from relinquished reports total 21,154."

### NEW ENGLAND ORDER PROTECTION.

Norwich lodge, No. 248, held its regular meeting in Buckingham Memorial Monday evening and after the business session ice cream was served. The general convention in charge of the Heptasophs was held at the Hotel at Groton on Aug. 21, met in Foresters hall Saturday evening and decided on the prizes for the various athletic events of the day. The ten lodges of eastern Connecticut will have a gala time.

Installation took place at the meeting of Virginia Dare council, No. 25, on Thursday evening being performed by its deputy, Mrs. Mary Washburn. The officers installed were those elected at the last meeting as follows: Councilor, Mrs. Margaret Hart; vice councilor, Mrs. Mary Ann Harvey, and assistant secretary, Mrs. Helen Oliver. The other officers have been nominated but not yet elected.

### FORESTERS.

Court Quinebaug, No. 128, Foresters of America, held a well-attended meeting this week at which the officers of the lodge were elected. The officers installed were: Deputy Chief Ranger Timothy Carver in good form. The officers installed were: Chief ranger, Edward Pratt; sub chief ranger, James McCarthy; recording secretary, John J. Sullivan; lecturer, Michael O'Connell.

The initiation of one new candidate and three applications for membership speak well for the prosperity of the court.

### HEPTASOPHS.

The brothers of Norwich conclave, No. 424, are looking forward with much interest to the annual convention of the district, at which Norwich as one of the five conclaves of the district will be represented. The convention will be held with Groton conclave, during the week of Sept. 6, the exact date not yet having been announced. Apart from the official importance of the convention, the Heptasophs will be attracted by the prospect of a good old-fashioned clam bake.

There are a number of candidates up for the office of district deputy, and one of these who will make a strong try is Brother Charles A. Peterson of Yale conclave, New Haven. In a letter to Norwich conclave he announced himself as a candidate and is setting about getting support.

For the office of alternate deputy there is also rivalry and it may be that Norwich conclave will have a candidate in the race.

For the next week, however, the minds of the Norwich brothers will be turned upon another subject, their annual outing, which the committee promises will be more successful this year than ever. It will be held on Aug. 22, and by lunch the members of the conclave and invited guests will go down to Barney point, where informal sports and amusements will be enjoyed. A ball game is planned. The arrangements are being expertly looked after by John R. Denon, George Groszelske, James T. Carver and J. E. Cogan.

District Deputy George R. Hemmings of Groton inspected the Norwich conclave at its meeting Monday night.

### PATRONS OF HUSBANDRY.

The members of the New London County Pomona Grange will congregate today at Richards Grove for their summer field meeting.

An interesting programme for the day has been arranged by Worthy Master Everett P. Barnes and the executive committee. In the morning the grangers will enjoy the various sports offered by the grove, a feature of which will be a ball game, in charge of N. H. Hall of Preston City, between the married and single men. Dinner will be served at 11.30. Beginning at 1 o'clock there will be a choice literary programme, as follows: Whistling solo, My Rosary, Miss Marion A. Clyde of Mystic.

Address, Cooperation for Connecticut, William A. Barron of Danielson, worthy master of Quinebaug Pomona Grange.

Address, Possibilities of Agriculture in Connecticut, Worthy State Master J. H. Husky of North Woodstock.

Vocal solo, When the Ebb Tide Flows, Mrs. Frank W. Rogers of Waterford.

Discussion, Why the United States Does Not Have a Parole Post, M. J. Bacheler of Concord, N. H., ex-governor of New Hampshire, and Worthy National Master.

Address by Worthy National Chaplain C. S. Wood of Ellington, and Worthy State Lecturer J. H. Putnam of Litchfield.

Whistling solo, The Sweetest Story Ever Told, Miss Marian A. Clyde.

Many Norwich Grangers will be present, it is expected.

### UNITED WORKMEN.

The grand lodge executive committee and the grand lodge finance committee, which are composed of fourteen prominent and active members of the order, had a joint meeting at its July gathering, and after the transaction of regular financial business voted to transfer from the beneficiary fund of the grand lodge the sum of \$2,500 to the reserve fund of the grand lodge, which increases the total reserve fund of the grand lodge to the handsome sum of \$757,573.28, a most gratifying exhibit, evidencing emphatically the stability of the Connecticut grand lodge finances and the wise and judicious management that has produced this fine result.

The A. U. W. of Connecticut never before had so large a reserve and the entire amount has been accumulated since the change of rate in 1904, only five years ago, and its existence is a guarantee that must be appreciated, by and appeal with great force to the membership of the Connecticut grand lodge, and its O. U. W. All of this fund, moreover, is placed in safe and sound interest-bearing investments, all of a character such as the savings banks and trust funds are legally authorized to invest in.

### AMERICAN MECHANICS.

Deputy Frank Q. Smith of Miantonomo council, No. 30, installed the officers of American council, No. 34, of Montville, on July 29, as follows: C. Roy D. Gardner, W. C. William Watt; R. S. Harry W. Auwood; A. R. S. F. P. Richards; F. S. P. P. Richards; Treasurer, F. S. P. P. Richards; John Lynch; Ex. George Pratt; I. P. Charles Gordon; O. P. Edward Rogers; Jr. Ex. C. John C. Carlton; Sr. Ex. C. Fred Grandall.

Brother William Watt received the flag from Organizer Gilmore, having secured the most candidates up to July 1, 1909.

On August 12, there was a full attendance at the Montville council, when four candidates received the third degree, the degree team doing the work in impressive form. From Miantonomo council were present District Deputy Frank Q. Smith, Vice Councilor F. S. Smith and Examiner John McKenlie. Remarks were made for the good of the order after which refreshments were served.

### ORDER OF VASA.

Routine business occupied the regular meeting of Lodge Oscar, No. 30, Friday evening at Foresters hall. Three new applications for membership were received.

### NO DISCRIMINATION AGAINST SOLDIERS OR SAILORS.

Adjutant General Gives Text of Law Governing Amusement and Transportation Facilities.

Two subjects made the basis for general orders No. 34 from the office of the adjutant general of the state are the act from the general statutes concerning discrimination against members of the military and naval service of the state or the United States or persons wearing the uniform of such service, and the act concerning the fraudulent use of badges, buttons and insignia of fraternal societies and other organizations.

As a reminder to the military men and the public, the two acts are quoted in full as follows:

Chapter 156. Every person who shall subject or cause to be subjected any other person to the deprivation of any rights, privileges or immunities usually enjoyed by the citizen, on account of membership in the military or naval service of this state, or of the United States, or on account of the wearing of the uniform of such service, or who, on account of such membership or the wearing of such uniform, shall deprive any other person of the full and equal enjoyment of any advantages, facilities, accommodations, amusement or transportation, subject only to the limitations established by law and applicable alike to all persons, or who, on account of such membership or the wearing of such uniform, shall discriminate in the price for the enjoyment of any such privileges, shall forfeit and pay to the person injured thereby double damages, to be recovered in any court of competent jurisdiction within this state.

Chapter 156. Section 1. Any person who shall wilfully wear the bronze button, badge or button of the Grand Army of the Republic, or the insignia, rosette or badge of any fraternal or beneficial order or society, or of any historical, naval or military organization, with fraudulent intent, or who, with such intent, shall use the titles of its officers, or its ritual or ceremonies, or its insignia, or its emblem, or its constitution, by-law or rules and regulations of such order or society, or claim to be a member thereof, with intent to deceive or defraud, shall be guilty of a misdemeanor, and upon conviction shall be fined not more than twenty-five dollars, or imprisoned not more than thirty days, or both.

Capt. John P. Green, first vice president of the Putney (Vermont) Railroad company, who has just been retired at 70 years under the pension rule of the company, had been 40 years in its employ. He began as chief clerk in the time of the famous Thomas A. Scott. The directors passed a resolution, recognizing his faithfulness.

Rev. J. M. Williams of Pine Village, Ind., knows that it pays to preach short sermons. He has just received a deed of sixty acres of land, worth \$125 an acre, from Mr. and Mrs. Burnside Davis, the consideration named being the brevity of the sermons delivered by Mr. Williams when the grantors attended his church.

### NEW STATE TAX MEASURE.

Text of Bill Which Was Passed by the Senate at Hartford.

The state tax bill passed by the senate to meet the estimated two and a half millions of expenditure over receipts is as follows:

A state tax is hereby imposed upon the several towns of this state, equal to one-half mill on the dollar, on the grand lists of the several towns made for October, 1908, and a state tax of the same rate is hereby imposed upon the several towns on their grand lists as they shall be made for October, 1909, as such lists for 1908 and 1909 shall be amended and corrected by the board of equalization. Such taxes shall be paid according to law on or before the 10th day of November, in the years 1909 and 1910, respectively. The several towns are authorized to raise the taxes hereby imposed in such manner as they may direct.

The taxes so received by the treasurer shall be used in paying the bonded or other indebtedness of the state.

### NOVEL SOUVENIR.

Sand from Two Oceans - To Commemorate Canal.

Chief Clerk Charles F. MacGregor of the United States railway mail service has received a novel souvenir from a civil engineer friend at the Panama canal.

The souvenir consists of a long glass tube sealed at either end with the Panama seal. In the interior of the tube, at one end, is some sand from the Atlantic ocean and at the other end some sand from the Pacific ocean. Between these are samples of the dirt taken at various intervals along the canal, when the work was in progress, each sample being appropriately labeled—Midweston Sun.

### WHY IT IS SO

When it is known that its power to strengthen the system and build up the body is why Father John's Medicine cures colds and all throat and lung troubles. It will be understood why it is so valuable as a tonic and for driving the impurities out of the blood. It feeds the tissues and makes strength.
